'Picture a Scientist' Movie Night

The awakening of female researchers who write a new chapter for female scientists. The film screening provided the basis for a lively discussion afterward.

portraittheatre Curie_Meitner_Lamar

(August 25th 5 pm, Venusberg Campus 1)

Three outstanding pioneers represent the achievements of women in the field of science and technology „Curie_Meitner_Lamar_indivisible“, produced by the Viennese association portraittheater. Illustrated with music and videos with three girls the performance shows within 95 minutes an entertaining portrait of extraordinary women in history. Afterward is time for networking with food and drinks.

Soapbox science events

The street as an open platform for interesting talks and discussions in a fun and interactive way.

further information

Career and Family

Family support

To support families, we established a portfolio of specific offers to female and male scientists at all career stages:

- Funding of student assistants and part-time technicians to assist scientists during periods of pregnancy, maternal or parental leave
- Family rooms on the campus
- Kids Box, a mobile children's room for the office
- Technical equipment for home office workplaces
- Family service to support the compatibility of work and family:
 - o Childcare in emergencies (at home, in the pme facility, or in one of the two family rooms)
 - o Holiday child care
 - o On-site childcare during full-day meetings

Gender Equality

Career Development

- One-to-One coaching for female scientists
- Workshops for female scientists (career planning, time and project management, work-life balance, and training for appointment procedures)
- Travel grants for conferences focusing on gender imbalance in academia and science
- Network meetings to give a platform for exchange

Children and the future of science

- Participation in the Girls Day to motivate girls and women to take up scientific professions
- Regular visits to local schools
- Participation in the science rally organized by the University of Bonn
